# Why Uptime Practice

**Uptime Practice delivers an unrivaled level of technology, simplicity and support.**

→ **ELIMINATE SERVERS & IT HEADACHES**
Owning servers is a hassle. They need ongoing maintenance, repair and upgrades, all of which require expensive IT consultants. They're just not worth the trouble. Uptime Practice provides all essential IT capabilities without having to own servers.

→ **SECURE YOUR CLIENT & FIRM DATA**
Cyber-threats are an ever-growing menace, and law firms have an obligation to keep their client data secure. Uptime Practice keeps your applications and data protected by bank-grade security.

→ **WORK ANYWHERE, ON ANY DEVICE**
With Uptime Practice, you're no longer tied to your office, any one computer or even a particular type of computer. Work from the office, from home, from a PC or a Mac computer.

→ **STREAMLINE & CENTRALIZE YOUR TECHNOLOGY**
With Uptime Practice, everyone in your firm will have the same user experience, regardless if their work in your main office, a satellite office or from home. All of your applications and data is centrally stored.

→ **CONTROL TECHNOLOGY COSTS**
Managing on-premise IT infrastructure isn't just difficult, its expensive, and the costs are often unpredictable. Uptime Practice delivers secure, reliable technology for a fixed monthly fee.

→ **GET EXPERT LEGAL SOFTWARE SUPPORT**
General IT consultants and hosting provides will provide general IT service. They often aren't able or willing to provide the deep software support that your firm needs. Uptime Practice includes expert support for the software that your firm relies on.
